Hello!

I hope all is well and that you enjoyed the sunshine this past weekend! The Port of Los Angeles will be hosting its next environmental open house on Thursday, February 9th from 6 to 8pm in Lynwood, CA. The quarterly [open houses](#) were initiated in Fall 2016 to keep the public updated on the Port's sustainable freight programs and environmental developments, and to gather input and feedback. The Port's Feb. 9 open house will be held at Bateman Hall, located at 11331 Ernestine Avenue in Lynwood. The event is open to the public and attendees are asked to RSVP in advance at environmental@portla.org. The open houses are an initiative of the Port's Environmental Management Division to further engage with the stakeholders. The Sustainable Freight Advisory Committee (SFAC), a 10-member panel appointed by Los Angeles Mayor Eric Garcetti, was formed last year to study and provide input on how to advance sustainable goods movement practices and expand the use of zero and near-zero emission technologies in Los Angeles Harbor. Please see the attached Press Release for more information **AND FEEL FREE TO PASS THIS INFORMATION ON!** I hope to see you there!!

Sincerely,
Augie Bezmalinovich
Community Affairs Advocate
Port of Los Angeles
310-732-3503
